MINUTE OF THE LORD MAYOR

ITEM NUMBER	8.1
SUBJECT	First Council meeting in PHIVE
REFERENCE	F2022/00105 - D08746795
REPORT OF	Lord Mayor, Councillor Donna Davis

CSP THEME: THRIVING

WORKSHOP/BRIEFING DATE: NIL

PURPOSE:

The purpose of this Lord Mayoral Minute is to acknowledge the first Council meeting at PHIVE, the City of Parramatta's new community, cultural and civic hub.

RECOMMENDATION:

That Council acknowledge the first meeting held in our new Council Chambers at PHIVE, the City of Parramatta's new community, cultural and civic hub.

BACKGROUND

1. Tonight marks the first Council meeting held in our new Chambers at PHIVE, Parramatta's community, cultural and civic hub, located in the heart of our CBD.
2. Council proudly opened PHIVE in September 2022. It's been embraced by our community as a space to learn, be inspired and explore new experiences. An architectural icon, with a bold design by award-winning French architect Manuelle Gautrand, PHIVE is a truly smart building, with sustainability credentials allowing it to be net zero carbon from day one.
3. The new Council Chambers are where the future of our region will be shaped. The purpose-built Chambers are crafted from locally sourced timber, and contain state-of-the-art voting technology and live streaming facilities to make Council meetings accessible to all.
4. Councillors first committed to the vision of a new civic building within a world-class commercial and cultural precinct in 1996 and we are incredibly proud to hold our first Council meeting in PHIVE tonight, to see this ambition come to life.
5. The Chambers where we gather today are our new accessible place of government; a meeting place to discuss, celebrate and shape the future of our great City.
6. Parramatta is an historic City. The site of PHIVE, and the public domain, have held enormous significance as a meeting place for millennia. The Burramattagal people of the Dharug clan have gathered on these lands for over 50,000 years. This was a gathering and ceremonial place between the mountains and the sea, where people came to conduct business and care for country.

7. Back in 1879 it was resolved to build offices and a town hall with the passing of the Parramatta Town Hall Act. The Council chose the market square to erect their new public buildings and this tradition has continued.
8. Thanks to the elected Councillors past and present, previous Lord Mayors, many council officers, project partners and members of the Citizen's jury who've contributed in varying ways to deliver this bold vision for PHIVE which has come to fruition today.
9. On behalf of the City of Parramatta, I acknowledge the significance of our first meeting tonight in PHIVE. We recognise that meeting together is at the heart of a democracy and the heart of a well-functioning community. At the heart of this building is the recognition that it is the act of meeting that is so important.

The National Breast Cancer Foundation (NBCF) is Australia's leading national body funding game-changing breast cancer research with money raised entirely by the Australian public. The NBCF's mission is to end deaths from breast cancer by identifying, funding and championing [world-class research](#) to help detect tumours earlier, improve treatment outcomes, and ultimately save lives.

3. *October* is Breast Cancer Awareness Month, an annual campaign to raise awareness about the impact of breast cancer.
4. On 9 October Rekha Rajvanshi and Sue Advani hosted their 10th annual Pink Sari Breakfast in Parramatta, raising \$8500 for the NBCF. Together with their hardworking team of volunteers (many cancer survivors themselves), Rekha and Sue have raised much needed funds over a decade to support medical research and aid breast cancer recovery. In particular, Rekha and Sue's focus on spreading awareness about breast cancer amongst South Asian communities has had a huge impact on our City.
