Councillor Henry Green asked if the adoption of the proposed guidelines would result in the loss of any on-street parking spaces.

Richard Searle of City of Parramatta Council advised that adoption of the proposed guidelines will not directly result in the loss of on-street parking, however, the guidelines would result in some spaces being changed from general use to exclusive use by EVs. It was further noted that specific proposals for EV parking spaces would be referred to the Parramatta Traffic Committee where aspects such as turnover of the proposed spaces would be considered.
